Additional HSA Laminate Finishes

HSA's announcement of the Express Series mentioned many colors available by special order. In this document, you will find all of the special order colors available for the Express Series products. All of HSA's new laminates are available to ship within 30 days (certain conditions may apply, based on availability).

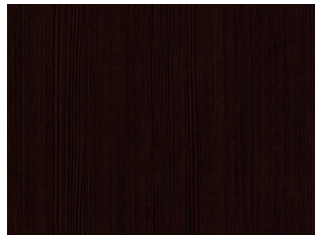

PLEASE NOTE: The HSA colors are NOT available for our Standard product lines at this time. These are available for the Express Series products only.

The HSA colors below and on the following page are special order finishes in price groups. Each price group will reflect a slightly different cost for materials.

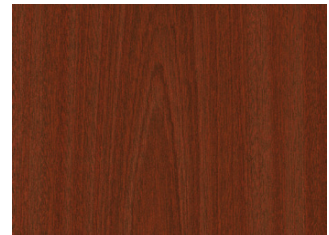

Price Group 1

Amber Pearwood

Espresso

Floral Mahogany
